

ORGANIC TOILET GEL *

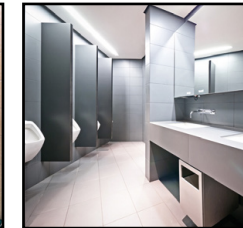

BIOCAN*
GEL

BATHROOMS

ACTION

- Biotreats

INNOVATIVE:

- 4 in 1: Cleans, protects, descales and maintains toilets, urinals and drain lines.
- *Biosurfactant-based from specially selected micro-organisms.
- Gel that adheres easily to walls = better descaling action on vertical surfaces.

PROTECTS:

- Promotes the effective operation of septic tanks.
- No hazard warning icon. Environmentally-friendly, user-friendly.
- Packaging 100% recyclable.

ADVICE:

- The flexible head allows application to difficult-to-reach corners.
- Scent: original.

INSTRUCTIONS FOR USE:

- Apply to the surface and wipe clean.
- Rinse if required.
- If treating drain lines/toilets/urinals, we recommend applying at night after use.
- Leave to act.

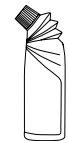

PROPERTIES:

- Turquoise coloured gel.
- Scent: original.
- Density at 20°C: 1.010 ± 0.010.

*Not an organic farming product.
