

# POWERFUL DEODORISER WITH CONTINUOUS RELEASE OF SCENT ENRICHED IN BIOSURFACTANTS

**FORMULA  
EXCLUSIVE TO IPC**

photo: non-binding

## BIOFOR\* MICROCAPS PAE

DEODORISING

### **ACTION**

- Neutralises odours

### **INNOVATIVE:**

- Exclusive and innovative IPC formula, combining revolutionary microencapsulation technology with the power of biosurfactants.
- Exceptionally long-lasting thanks to the microcapsules and their continuous release of scent.
- \*Enriched with biosurfactants (natural surfactants manufactured by micro-organisms) to destroy unpleasant odours at the source.

### **PROTECTS:**

- Made from natural essential oils.
- No staining.

### **ADVICE:**

- Ideal in environments severely affected by unpleasant odours (communal sections of buildings, containers, garbage chutes, skips/dumpsters, public toilets, cloakrooms, underground car parks, sewage treatment plants, sanitation companies...).
- Also suitable for waste storage areas in the agro-food industries, abattoirs, rendering plants...
- Can be used both indoors and outdoors
- Available in 2 scents: Fruit and pine.

### **INSTRUCTIONS FOR USE:**

- Ready-to-use.
- Spray the product directly onto skirting boards, bins, toilets bowls, foul-smelling waste, etc.

### **PROPERTIES:**
