

ULTRA-POWERFUL READY-TO-USE DESCALER, CLEANER, DISINFECTANT, AND DEODORISER WITH BIOSURFACTANTS

EXCLUSIVE TO IPC

photo: non-binding

TORNADE BIOTECH*

BATHROOMS

ACTION

- Descales surfaces
- Disinfects surfaces

INNOVATIVE:

- The best biotechnological disinfectant, descaler and deodoriser on the industrial market.
- *ENRICHED IN BIOSURFACTANTS (natural surfactants manufactured by microorganisms) for a greater power to remove deposits from all surfaces.
- Its composition of several acids makes it easy to restore even the most scaled surfaces.
- Disinfects in 1 minute.
- Diffuses a pleasant scent.

PROTECTS:

- COMPLIES WITH STANDARDS: Bactericide and Yeasticide.

* For more information, refer to the supplementary sheet.

- 100% of the ingredients are of natural origin.
- No odour unpleasant and pungent to use. Easier to use.
- Its foam spray head avoids the aerosolisation of irritating acidic particles for mucous membranes and respiratory tracts. Avoids the risk of direct contact with the product.
- Unique ergonomic bottle reducing RSI.

ADVICE:

- Ideal for overcome traces of soaps, stubborn limestone, greasy stains...
- UNIVERSAL: Can also be used on faucets, washbasins, shower walls, sinks, earthenware, ceramics, toilet bowls, etc. Compatible on metals (including aluminium), glass, plastics (including linoleum, ballatum and plexiglass), PVC...
